PRICE LIST OF CURRENT METERS CALIBRATION VALID FOR 2021

Contacts:			
Head of CCSCM:	Ing. Adéla Trávníčková	CCSCM Quality Manager:	Ing. Kateřina Poláková
	+420 220 197 302, +420 220 197 253		+420 220 197 381
	adela.travnickova@vuv.cz		katerina.polakova@vuv.cz

Calibration prices of each type of current meter are determined by the work complexity.

Prices are valid for calibration of one current meter (with one propeller) or one measuring device, always within the velocity range given by the propeller pitch as shown in the Appendix to the Certificate of Accreditation.

Calibration points out of this range are subject to the agreement and the issued Calibration Certificate does not contain a textual reference to accreditation and accreditation mark.

Current meter make and type, suspension type:	Unit price in EUR:
OTT C2 and similar types (VUVH etc.), rod suspended	370
OTT C31 and similar types (Texas, VUVH-HYV etc.), rod suspended	410
OTT C31 and similar types, cable suspended with sinker weight 5 or 10 kg	500
OTT C31 and similar types, cable suspended with sinker weight 25 kg	560
OTT C31 and similar types, cable suspended with sinker weight 50 kg	600
OTT C31 and similar types, cable suspended with sinker weight 100 kg	715
Electromagnetic current meters	690
Ultrasonic current meters	690

Unit price INCLUDES: costs of cleaning and check of the device and propeller oil replacement before calibration, costs of cleaning of the device and propeller oil replacement after calibration, costs of expended material (propeller oil, petrol for current meter cleaning) and its ecological disposal, hardcopy of Calibration Certificate printing costs, surcharge for heavy objects handling in case of sinker weight suspension type

Unit price DOES NOT INCLUDE: VAT 21 %, shipping and handling costs*, costs of calibration at calibration points out of velocity range, extra work of CCSCM employee (EUR 40 per hour), technical service of not fully functional device and subsequent testing, electronic processing (Excel) of results presented in Calibration Certificate (excluding charts) if requested

QUANTITY DISCOUNTS

6 pieces and more:	10 %
11 pieces and more:	15 %

PREFERENTIAL CALIBRATIONS (ASIDE FROM DELIVERED ORDERS)

Price to be agreed and is at least 25 % higher than the standard list rate.
